Abbreviations and Catalogues Used

Standard philatelic terms are used, if you are unsure as to there meaning please ask for clarification. All catalogue numbers are from Bermuda Specialized Catalogue - Scott (SC) and Stanley Gibbons (SG) latest catalogues with other catalogues such as Michel, Murray Payne etc used when appropriate. Higgins & Gage World Postal Stationery catalogue numbers are used for postal stationery.

Condition

Lots are described with as much detail as is possible giving due deference to gum, perforations, postmark etc and the condition of same is relative to that particular issue and age. All lots are sold without defects and as genuine unless noted in lot description. Collections and accumulations may contain items with faults, which may not be mentioned in lot description. The majorities of covers are commercial use and as such may have minor tears or creases etc, which are only mentioned if they considerably reduce the value of the item. If lots do not match catalogue description they can be returned for full credit within 7 days of receipt.
